Motivated and dedicated professional with a 3.8 GPA and recognized on the Dean's List. Proven leadership in organizing and leading multiple charity events during the COVID-19 pandemic. Exceptional communication and writing skills, with a strong ability to solve problems and work effectively both independently and in team environments. Proficient in Microsoft Excel and Word, with a commitment to excellence and continuous improvement.

Experience:

Front Desk Receptionist, SB Knitting LTD (2 years)

As a front desk receptionist, I managed guest logs, scheduled meetings, and handled phone calls. My role required excellent organizational skills and the ability to communicate effectively with both guests and internal staff, ensuring smooth operations and a welcoming environment.

Customer Care Representative, Bengal Production (1 year)

In my role at Bengal Production, I communicated with customers regarding events and bookings. This position honed my customer service skills and allowed me to develop strong interpersonal abilities, ensuring customer satisfaction and efficient handling of inquiries and reservations.

Volunteer:

Volunteer, Jaago Foundation

I actively participated in distributing clothes to flood victims, providing essential relief and support during critical times. This experience deepened my empathy and commitment to humanitarian efforts.

Head of Logistics Team, Purnota Foundation

As the head of the logistics team, I was responsible for ensuring timely deliveries and accurate fare management. This leadership role enhanced my organizational and problem-solving skills, contributing to the foundation's efficient operation.

Volunteer, Ashia Foundation

I contributed to the Ashia Foundation by creating signs and banners for various events. This role allowed me to apply my creativity and attention to detail, supporting the foundation's outreach and engagement efforts.
